

THE BEST  
HEALTH  
CARE  
STARTS  
HERE.

FOR 40 YEARS...

The Cowichan District Hospital Foundation has been raising funds in support of Cowichan District Hospital and Cairnsmore Place, and more recently for Cowichan's new hospital as well. The generosity of our donors helps bring world-class equipment to our area, which can help reduce wait times, improve patient experiences, allow for less invasive procedures, support staff recruitment and retention, reduce patient travel to other hospitals, and more.

UPDATE ON LAST  
YEAR'S CAMPAIGN

Thanks to the generosity of our donors, we were able to make a significant impact through purchasing crucial equipment, including a new anaesthesia machine and a specialty surgical table for Cowichan District Hospital, plus a new activity bus for Cairnsmore Place, and much more.

DONATIONS  
AT WORK

THIS YEAR...

We are kindly asking you to consider supporting our initiatives in one of our three main areas:

**CAIRNSMORE PLACE:** We are raising \$220,000 to support the replacement of 43 beds and the renovation of two key areas to create dedicated spaces where families can connect with their loved ones. These improvements will significantly enhance the comfort and quality of life for patients, and provide much-needed support for their families during challenging times.

**NEW HOSPITAL FUND:** This fund is dedicated to raising \$20 million to support Cowichan's new hospital with state-of-the-art medical equipment. Set to open in the spring of 2027, this is a pivotal opportunity to ensure our hospital is outfitted with the most up to date technology and equipment, enabling us to provide the highest level of care to our community.

**AREA OF GREATEST NEED:** There are always high priority needs in our hospital. By choosing to donate to the Area of Greatest Need, you ensure that your funds are used for the most crucial needs now.
